

**SNABBIT GIVES INDIA THE TIME.
WHAT IF INDIA TOLD US WHAT IT DID WITH IT?**

1,26,65,756 HOURS

**CHORES → TIME → LIFE
TIME → MOMENT → STORY**

What if those hours became real stories?

SAME BRAND MEMORY. DIFFERENT CONSUMER MOMENT.

Across social and OOH, Snabbit repeatedly places itself into everyday consumer situations.

That made me look beyond the communication itself:

WHAT HAPPENS AFTER THE SERVICE IS ACTUALLY USED?

THE SERVICE ENDS. THE VALUE DOESN'T.

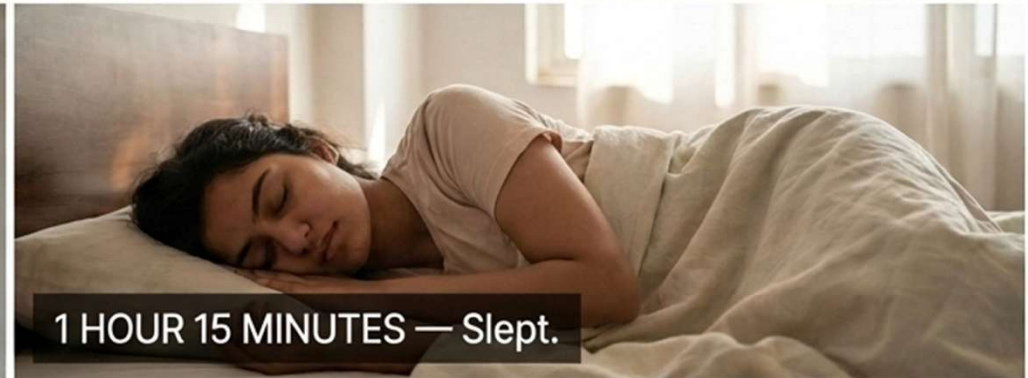

WHAT HAPPENED TO THAT TIME?

THE OPPORTUNITY

Make the time AFTER the service part of the Snabbit experience.

AN HOUR SAVED IS JUST A NUMBER. UNTIL SOMEONE GIVES IT A STORY.

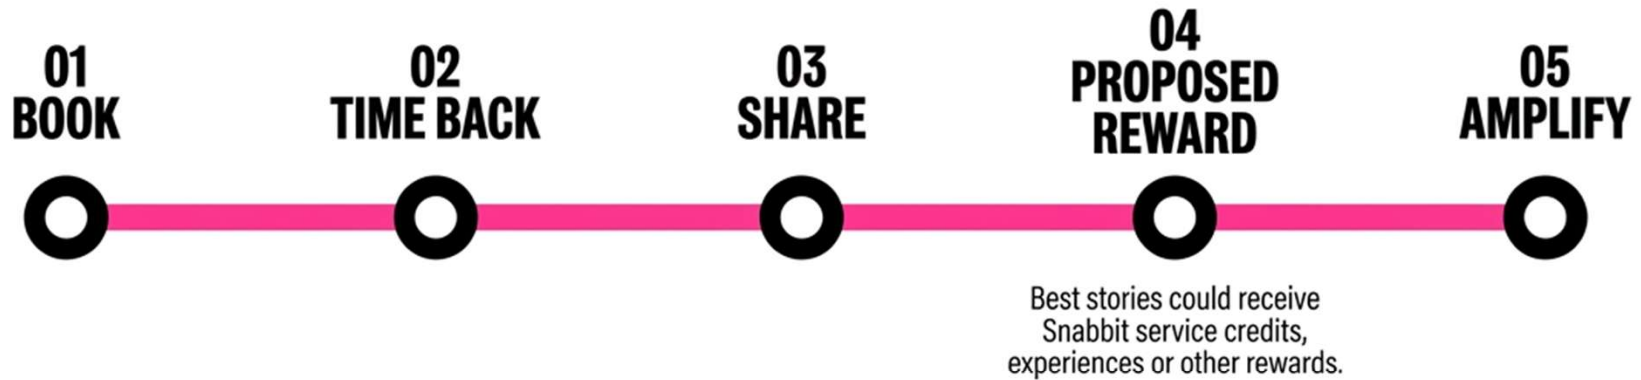

**THE VALUE OF TIME ISN'T MEASURED BY HOW MUCH WE GET BACK.
IT'S MEASURED BY WHAT WE DO WITH IT.**

WHAT DID YOU DO WITH YOUR TIME OFF?

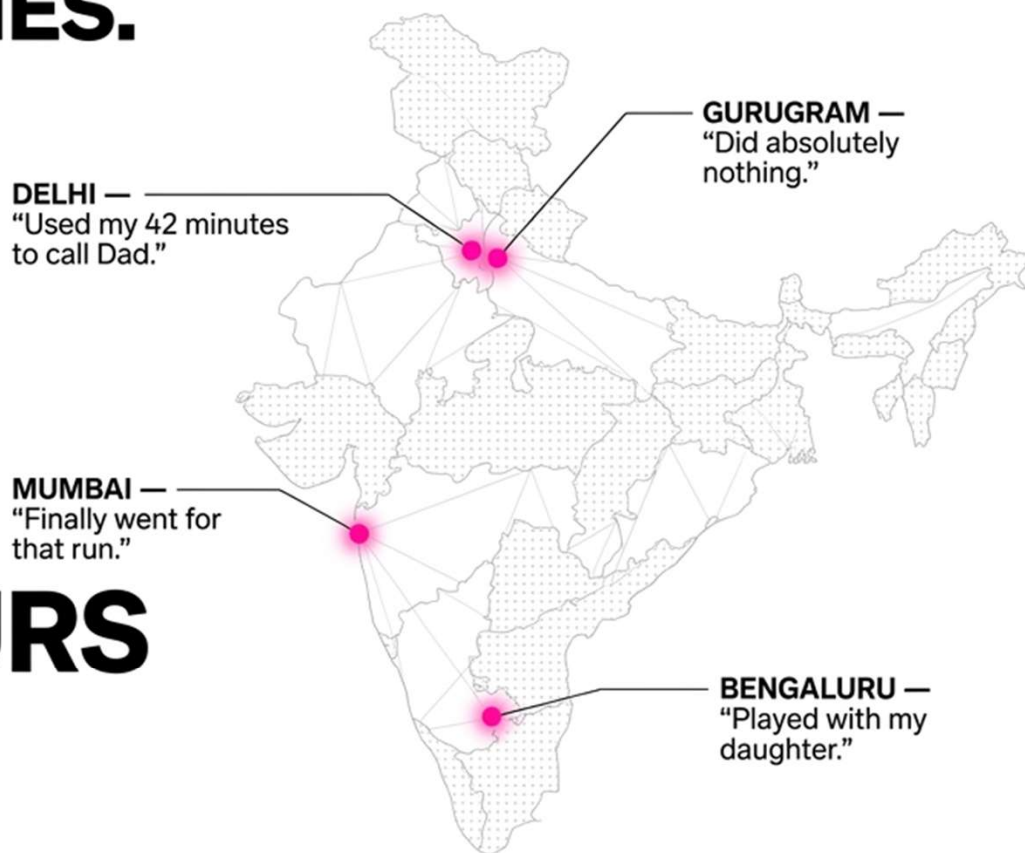

FROM SERVICE TO STORY.

Proposed mechanic, not an existing Snabbit programme.

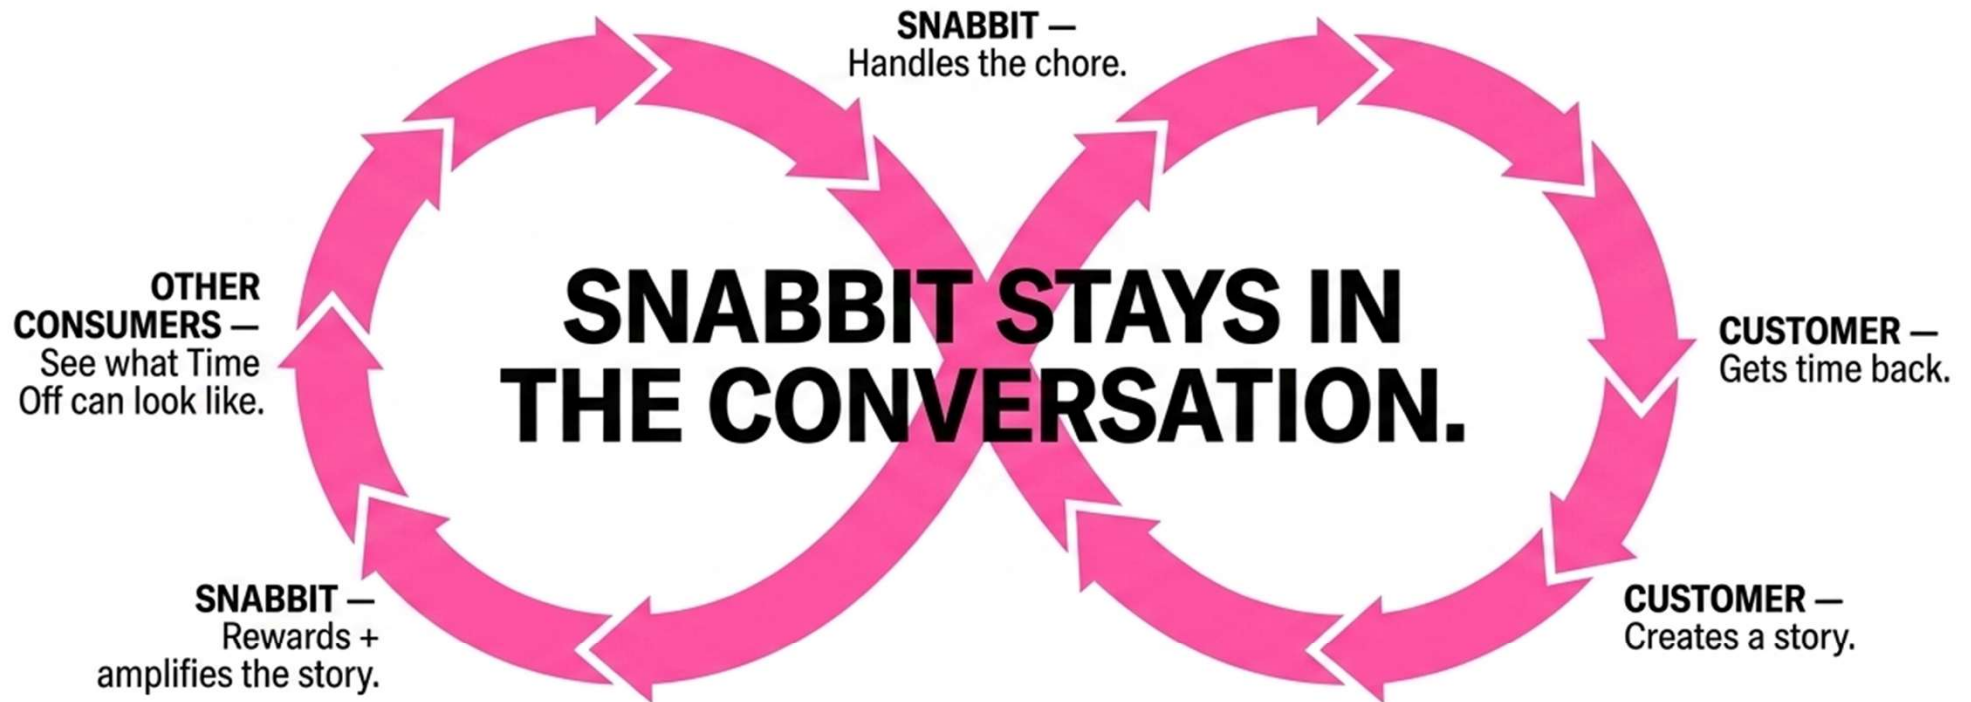

**DON'T JUST COUNT THE HOURS.
COLLECT THE STORIES.**

**1,26,65,756 HOURS
BECOMES INDIA'S
TIME-OFF STORY.**

ILLUSTRATIVE EXAMPLES: Examples of what Time-Off stories could look like.

FROM SERVICE TO STORY TO BRAND

**THE CUSTOMER DOESN'T JUST RECEIVE THE BRAND STORY.
THE CUSTOMER HELPS CREATE IT.**

**SNABBIT GIVES INDIA THE TIME.
INDIA GIVES SNABBIT THE STORIES.
WHAT DID YOU DO WITH YOUR TIME OFF?**
